

CHAMPIONSHIP RULES

1. The inspection of the rules, specified in this text prepared by the Head Office, to be followed by the competitors will be carried out by the country representative in the semi-final stage. The rules to be followed in the competition will continue to be valid in the final stage as well as in the semi-final stage. All participants must comply fully with the championship rules. Otherwise, sanctions determined by the country representative may be applied in the semi-final stages or the competitor may be disqualified. In the final stages, if the competitor does not comply with the rules, the discretion for sanction and disqualification belongs to the head office.
2. Contestants may use a flat latex of their choice, blank on both sides. 3D or stenciled latexes are prohibited. If rule violence is detected, the competitor will be automatically disqualified. No refund will be made in cases of disqualification.
3. Participants must be **ready** at least one hour before the application time, in the area where the semi-final will be held.
4. During the application, the jury observes whether the rules are followed and reports the rule violations.
5. A separate latex must be used for each competition category.
6. Only one side of the latex may be used. The unused side must be approved with an organizer's stamped signature and the competitor's number during registration on the morning of the competition.
7. The total time given for modeling, each category has a time limit of 75 minutes. The Jury Members will check the conditions such as the working environment of the participants, the readiness of the modeling and will give approval to start the application.
8. At the end of the allotted time, competitors must leave the competition area and place their used latexes on the table. Field juries will collect the latexes. The jury has the right to punish or disqualify those who break the rules. They can only leave the hall with a supervisor to go to the toilet.
9. The applied latex must contain only the competition work. Any additional markings (e.g., special symbols, names, or other signs) on either side of the latex will result in disqualification.
10. Mobile phone use is prohibited during the competition. They may be kept on silent mode with the competitor. Phones may only be used for taking pictures after the competition is over. Pictures can be shared on social media the day after the competition at the earliest. Sharing images before this time will result in disqualification.
11. Participants must bring their own work supplies. The organizer will provide a table, chair, lamp, wet wipes, Vaseline, and a trash can.
12. Competitors arriving late for the competition's start time will be disqualified.

13. Contestants must maintain a minimum distance of 1 meter from each other. Talking or exchanging materials during the competition is prohibited.
14. The competitors must wear a disposable (single use) long sleeve surgical gown or white overalls.
15. Competitors who finish their application before the deadline may leave the hall after handing their latex to a field jury.
16. The competitors must put their hair in a pony tail or bun.
17. All removable parts (needle, cartridge) must be in the sterile packages.
18. All accessories such as bracelets, watches, rings etc. must be removed.
19. The pen pencil or ruler can be used for modeling.
20. Work area organization;
 - Work area must be cleaned out after the application.
 - All disposable materials used must be thrown away.
 - All hygiene rules must be followed completely.
21. The competitor accepts that the scoring done by the jury members whose names are given below is fair and objective.
